Wall cabinet 1890

Price

Sold**Item Reference: SA894762****Date of manufacture: Victorian**

Description

Here I have a late Victorian wall cabinet in Mahogany, with a glass reverse painted door, This unusual cabinet has an arched top with sunburst glass panels, small finials, and a small gallery to top it of, lower there are tinted green glass panels on each side of the 3 display areas with a fretted gallery above, under the cabinet are 2 fretted brackets with a shelf between them. Wonderful quality and in excellent condition. 3 feet from top to bottom. 2 feet wide. 8 inches deep. Victorian circa 1890.
