Description

Stunning Antique Ormolu Mounted Miniature Grandfather Clock With Mahogany Case. This stunning miniature grandfather clock has a mahogany case with a lovely shaped design. The front of the case then has a fantastic array of gilt ormolu mounts with lovely scrolling designs. The centre of the case then has a shaped viewing window so that the pendulum can be seen ticking back and fourth. The base of the case then has an inlaid ormolu panel framed by mahogany mouldings. Finally the clock sits on four scrolling ormolu feet which set it off beautifully. The dial is then enamel and set out in black Roman numerals with a thin ring of dots marking the minutes and every five minutes being marked in Arabic numerals. The dial then has two wonderfully shaped hands as well as a domed and bevelled glass set into a brass bezel. The movement is then wound from the front and accessed from the back. It is ticking away as it should and comes complete with its winding key and beautifully shaped, regulating pendulum. The movement is then stamped "PARIS" and can be viewed via the brass back door to the top. It measures approximately: - 19.5" / 49.5cm Tall. - 6" / 15.25cm Wide. - 4....
