300 x 327 Antique Mina Khani Heriz Carpet

Price

Sold

Item Reference: SA894937

Date of manufacture: 1880

Dimensions

Height = 327 cm (128.7")

Width = 300 cm (118.1")

Description

A really rare Heriz, with the marvellous 'Mina Khani' design of rotating flowerheads connected with a writhing, moving leafy vine that's gives so much animation to the whole rug. A naively drawn and beautiful decorative carpet in an almost square size, with a beautifully abrashed light blue main border. Very classy! In worn condition, but no holes, clean and ready for your floor.
