Description

Victorian Mahogany Tilt Top Wine Table. We bring to you this lovely Victorian Mahogany tilt top wine table believed to be made around C1860. This table is in a lovely original condition which we have just enhanced by sympathetically restoring and waxing this table whilst preserving the original French polished finish with its lovely lightly faded Mahogany colour with lots of patina and charm. This table is made from all solid Mahogany with a rectangular 1 piece Flame Grain top and a finely turned Barley twist Mahogany centre support. This table features a snap top tilting mechanism which is working smoothly with its original brass banjo catch. The Barley Twist central pillar finishes to elegantly shaped tripod legs, culminating to pad feet. This very rare table is in a superb condition for its age, the joints are all as tight as they should be with no wobbles. The table does have historic woodworm holes to one of the underside rails (pictured) and a few on the pivoting plate. None of this affects the integrity of the table and it has been treated. Please note this item is in beautiful condition for its age as shown in the photographs below however being an antique it...
