Price

Sold

Item Reference: SA895170

Date of manufacture: 19th Century

Dimensions

Height = 51 cm (20.1")

Width = 15 cm (5.9")

Depth = 15 cm (5.9")

Description

This wonderful pair of 19thC obelisks are in predominantly serpentine marble with black marble detail. They stand on striated stepped marble bases and are a good height in very good overall condition. There is a slight chip to the corner of one but it does not deter from their overall look. They are a great decorative interior statement piece.
