## Description

Antique Elgin full hunter pocket watch, 1912. The watch has a seven jewel stem-winding movement, grade 292, which is working nicely. The movement is fully signed and the serial number 16044156 which dates it back to 1916. The movement is protected by an inner hinged cover. The watch measures 50.8mm diameter excluding the winding stem and the loop. The case is gold plated and is stamped Stylic Birmingham. The case has light surface marking from use but overall it is in nice condition. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial has several very faint hairline cracks although hardly visible to the naked eye. The watch has its original blued steel hands. The watch comes in a new presentation box.
