Description

Victorian Revolving Height Adjustable Stool. A charming piano stool. We bring to you this fine example of an Antique Victorian Walnut revolving piano stool on a height adjustable screw mechanism believed to be made around C1880. This good-looking stool is completely original and has its original polish throughout complete with its lovely lightly faded original colour showing patina and character. The stool rotates 360 degrees the seat height can be adjusted by turning it into the base of the stool. The padded seat revolves on a turned floating pillar flanked by 3 turned, fluted and swept out legs with stretchers going to a round centra turned boss rosetta. This fine revolving stool is in fantastic original working condition and has been restored, cleaned and carefully waxed. The comfortable stool seat is upholstered in gold high quality plush velvet with a braided edge. The material is used so is not absolutely perfect however we have professionally wet cleaned it. This stool is in amazing condition for its age as shown by the photographs however being an antique item of this age there are blemishes and scuffs here and there which we feel adds to its originality and ...
