Date of manufacture: 1890

Dimensions

Height = 100 cm (39.4")

Width = 40 cm (15.7")

Depth = 17 cm (6.7")

Description

A very attractive Vienna wall clock that is in beautiful condition throughout. The 8 day movement has just been fully restored by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. It strikes on the half-hour and the number of hours on the hour. The 8" dial has black Roman numerals with in between red Felur-de-lis and a subsidiary seconds dial. All in lovely clean condition. The walnut and ebony case is beautifully polished with a warm, rich patina. It has a book-matched quarter veneered backboard. The weights and pendulum are in very good order and the clock is complete with it's original cranked winding key. A lovely example of these ever popular clocks. All cards accepted.
