Description

A superb watercolour by renowned artist A.J. Rahman painted in watercolour. This Malaysian artist is well respected in Asia and his rare works are shown today in their National Gallery and have been exhibited in London in the past. The paintings were traditionally drawn for people visiting the beaches whilst on holiday in Malaysia. They are rare to find today. I came across a selection of four which were rolled up in a cardboard tube awaiting framing for the last 50 years. They are in excellent condition and are offered for sale separately or as a set. Measurements are actual watercolour size 14 inches x 11 inches. The picture has just been framed with new double edged bordering under glass. The overall size including the frame is 22 x 19 approx.
