Description

A superb very unusual English solid sterling silver strainer ladle. It is hallmarked for London 1932 with the makers marks being that of Josiah Williams & Co (David Landsborough Fullerton). It has been interestingly designed having a central divide for strainer sauces, this can be removed allowing it to be used as a regular ladle. It is superb condition being free from dings splits and repairs. It measures approx. 5 inches (13cms) long by 2 inches (5.2cms) wide and weighs 40 grams. A very nice quality unusual piece.
