Description

* Reduced from £13500* Phenomenal French Empire style Super-king Bed. Strong and sturdy construction, featuring fluted posts and foliate carving. The beautifully unique posts are a main feature of this bed coming in at 17cm square at the widest point. The finish is naturally aged paint featuring gold and blue detail which has been carefully cleaned, restored and waxed to preserve. This bed has been professionally upholstered in a jacquard William Morris inspired fabric - Tiffany Prussian which features a distinct floral art deco pattern throughout. Whilst we feel this fabric compliments the bed wonderfully, we can take requests for re-upholstering in order to match a preferred colour palate. Price includes wood slats (sorry not mattress) As an alternative to the wood slats we can supply a 2" deep upholstered mini box base or 4" platform top base (as used in photograph with 28cm deep mattress) We can also supply handmade mattresses in all comfort choices. Please ask for details and pricing or visit the mattress section of our own web site. We can arrange national and international delivery with reliable couriers. Please send postcode/address for quotation. Workshop...
