Description

Super decorative pair of opaline milk glass globe pendant lights with their original brass collars and in good original condition. This pair of lights can be hung either by a chain to your required length or drop, but also they can be fitted flush to your ceiling...just let me know which method you require. The milk glass globes to both lights are in great condition with no cracks or chips, also the brass collars have aged nicely and have a lovely mellow brass tone to them which has been lightly cleaned and buffed, but not overly. The globes are threaded so they attached to the collars and fit snugly together. The collars also hold the newly re wired bulb fittings. Great pair of lights and look really good when not lit as well as lit. Priced as the pair and to include FREE delivery within mainland UK within the price shown. Measuring: 14 inches or 35.5 cm height including the collar 12 1/4 inches or 31 cm diameter globes

Internal Ref: Kkm3
