Description

A fantastic original Georgian period solid mahogany console table. This was made in England, it dates from around the 1790's period. It is a great size and is of amazing quality. The solid mahogany is accentuated with beautiful satin wood inlay on the edges. This has a bow fronted demi-lune shaped top, and sits on elegant tapered legs terminating in spade feet. We have recently had this re-polished, it is in excellent condition for its age. There are various small indentations and marks beneath the polish, commensurate for age. This has plenty of character and a stunning patina. Width – 46 inches , 117 cm Depth – 23 inches , 58 cm Height – 28 inches , 70 cm
