Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the rare solid 18ct gold Seamaster daydate model with the fully automatic calibre 752 movement. The dial with day and date is in superb original condition. The Omega symbol is on the crown and it is fully marked Omega on the dial, movement and case as you would expect. The Seamaster logo on the back of the case is bright and crisp. The watch case is oversize and measures 36.5mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
