Description

This is a wonderful rare 19th century ladies mahogany stick. The decoration on the shoe is marvellous. The end of stick has wooden bands which represent a sock, a super detail. The shoe is decorated with a heart to the front and to the underside, which has made us think this may have been a love token. All the decoration is done with small brass pins. It is a truly great survivor. This is not a long stick it measures 50 cm long Shoe measures 6 cm long Width of shoe is 1.5 cm
