Description

A beautiful set of four solid mahogany William IV period dining chairs. These were made in England, they date from the 1830-40's. They are of super quality, with finely carved backrests, lovely fluted legs and cane seats. We have had these recently re-polished, the condition is excellent for their age. The cane is all intact and in lovely condition, they have probably been re-caned over the years. We also have another set of four and a set of two very similar William IV mahogany dining chairs with cane seats, so it's possible to make a lovely harlequin set of eight or ten chairs. Width – 18 inches , 46 cm Depth – 18 inches , 46 cm Height – 33 inches , 84 cm Seat height – 17 inches , 43 cm
