Description

A beautiful and very impressive antique Swedish leather sofa. This was recently imported from Sweden, it dates from around the 1900-10 period. The quality is amazing, this is extremely sturdy and well built. The sprung seating area is very generous, and this sits on finely crafted solid mahogany legs. The leather which is original, is hand coloured and revived by our leather restorer, it has a gorgeous deep green tone. The condition is excellent for its age, with only some extremely minor wear here and there.
