Description

A really appealing Mahogany, Double-Weight Vienna Wall Clock. It's simple, understated design being the source of its attractiveness and without the whistles and flutes often associated with many clocks of this type. The mahogany case is beautifully polished with a deep, rich patina. The 8 day movement strikes on the half-hour and the number of hours on the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. The white, enamelled dial has black, Roman numerals, nicely cut hands, and a subsidiary seconds dial. The brass weights and pendulum are in good order and it is complete with its original cranked winding key. Offered at a very attractive "come and buy me" price. All cards accepted.
