Description

A lovely example of a late 18thc Polychrome Delftware "Ann Gomm" Pattern Charger, with spider web-like decoration, a floral rosette, bordered by flower buds, lemons painted in yellow, manganese, brown, blue, and green on a pale bluish background.... excellent condition with few chips, no cracks or restoration.....so nice to find one of these scarce plates in charger size..! English. C1790-92 (These plates are called Ann Gomm, because a few have been found with the name Ann Gomm and dated 1792.)
