Description

A beautiful solid silver Indian table snuff box. It is unmarked but tests as high grade silver. I would date it to c1920. It has been beautifully hand made embossed and chased with a leaf design and the lid is set with a green agate. It is in superb condition being free from dings splits chips cracks holes and repairs. It measures approx. 2.75 inches (7cms) long by 2 inches (5cms) wide by 1.5 inches (3cms) tall and weighs 110 grams. A superbly designed very high quality example.
