Description

A very pretty Dutch solid silver server. It is hallmarked with Dutch silver marks including the date letter for 1885. It has been beautifully made having a engraved and pierced bowl in the form of a leaf and a leaf decorated handle. It is in super condition being free from dings splits distortions and repairs. It measures approx. 7.5 inches (19.3cms) long by 2.75 inches (6.8cms) wide and weighs 48 grams. A very nicely made clean example.

Internal Ref: 28048
