Description

This beautiful 19th CENTURY ELM FARMHOUSE TABLE measures approximately 9 foot 3 inches (282 cm) in length, with an additional BREAD SLIDE to one end. It is in good original, unrestored condition, as removed from a Norfolk Farmhouse. The top of the TABLE is approximately 1.5 inches (3.5 cm) thick and made of three planks. There are pegged joints and a simple, decorative chamfering to the legs and connecting stretchers. There is good seating clearance under the side rails of approximately 24.5 inches (62.5 cm). The TABLE is sturdy and strong. The only decision to be made is whether to buy this TABLE or the AGA first. Height: 30 inches (76 cm) Length: 111 inches (282 cm) Width: 35.5 inches (90 cm) Clearance under Side Rail: 24.5 inches (62.5 cm)
