Description

A smart and very useful small antique Georgian period chest of drawers in mahogany. This was made in England, it dates from around the 1800-1820 period. The quality is fantastic, this is a low and practical size, with lots of storage space in the three deep drawers. The handles are solid turned mahogany and this chest sits on lovely shaped bracket feet. We have recently had this re-polished, the condition is great for its age. The mahogany has a gorgeous colour tone and patina, with various small marks and indentations beneath the polish here and there. Width – 30 inches , 76 cm Depth – 18 inches , 46 cm Height – 32 inches , 82 cm
