Description

A wonderful 18th century antique oak dresser base or sideboard. The antique oak dresser base has a nice characteristic looking top, with an arrangement of three fitted drawers, and two blind single panel cupboards. Both cupboards open to reveal a spacious single shelf interior. The antique oak dresser base is raised on block feet. Lovely colour and patina throughout. Item Ref; M-3940 . DIMENSIONS: Height – 87.5cm / Width – 159cm / Depth – 58cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches, stains, shrinkage and repairs to the top (pictured). There is evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique oak dresser base remains structurally solid and sound, with the drawers running well. Overall, a good example of an 18th century antique sideboard.
