Description

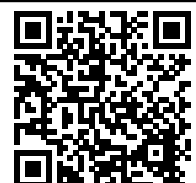

A rustic Victorian antique pine chest of drawers. The antique pine chest has an arrangement of two short over three long graduating drawers, each with new wooden knobs. Raised on four turned feet. Finished with a fresh coat of natural wax. Item Ref; M-3608 . DIMENSIONS: Height – 107.5cm / Width – 105.5cm / Depth – 45cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scuffs, dents and scratches to the top (pictured), further scratches to the drawers fronts (pictured), which add to its great characteristics. There are signs of shrinkage on the side of the chest, also a big chip missing from the top back left corner, however this doesn't disrupt the structure of the piece and adds to its uniqueness. Overall, a nice colour and build that would work in any environment. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
