Description

A stunning antique triple wardrobe in burr walnut and sycamore. This was made in England, it dates from around the 1920's period. The quality is fantastic, it has a beautifully shaped top and base, sitting on sturdy cabriole legs. The base and top section of the doors are veneered in gorgeous burr walnut. The main wood on the doors and sides is sycamore, which is veneered in a wonderful geometric pattern. The wardrobe contains lots of storage space, with a large hanging rail section in the double door side, there are shelves and a single drawer in the single door side. This breaks down into four pieces for ease of transport, and fits together quite easily. We have recently had this re-polished to a very high standard, the condition is excellent for its age. Width – 63 inches , 159 cm Depth – 23 inches , 58 cm Height – 78 inches , 198 cm
