Description

Wonderful set of three wrought iron side lamp tables in a beautifully worn finish, much of their original paint having gone and leaving traces. They're super decorative with their scrolls and have had three new Matt finish marble tops to sit inside the top frames. The marble tops are all set in slightly as the frames are all a little different! Great to use in a living room but can also be used as outside patio furniture as they are. Priced as a set of three and they all measure the same. Condition wise, they are all solid and stand steady. As you can see the paint finish has deteriorated which looks great with the new marble tops. Measuring: 21 1/4 inches of 54 cm high 18 inches 46 cm wide 13 inches or 33 cm deep
