Description

Circa 1900-1910 an elegant and well made brass doorstop with the word ENGLAND on the back and the manufacturer's mark: 148L on the base. It is identical to the Wm Tonks & Sons doorstop on our site, but we cannot find a maker's mark. It measures 28cm in height, approximately 12.5cm across and 7cm in depth and still has the original iron weight in the base and weighs 1.7kgs. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.
