Description

A Huge 3 Meter French Oak Farmhouse Dining Table, made in the early 1900s and of excellent quality construction this table will be around for generations to come. Made from Solid Oak with a 6.5 cm thick top that weighs a tonne. I love the chunky look to the base and we have bleached it to bring out the natural wood. The knee clearance is good at 60 cm. Overall a great looking table and now very hard to find in this size, in excellent original condition for the home. Length 295 cm Depth 83 cm Height 77 cm End overhang 29 cm
