Description

A beautiful and practical antique walnut chest of drawers in the Georgian style. This was made in England, it dates from around the 1930's. The quality is superb, this is a very useful size with lots of storage space inside the five generous drawers. This has a serpentine shaped front, sits on a plinth base and has lovely original brass handles. The colour is gorgeous and the burr walnut grain patterns are stunning throughout. We have had this re-polished to a very high standard, the condition is excellent for its age. Width – 31 inches , 79 cm Depth – 20 inches , 51 cm Height – 39 inches , 99 cm
