Description

A large mahogany side table dating from the early 19th Century. It stands on elegant tapering ring turned legs and has three deep drawers, each with their original turned knobs. It has a raised shaped gallery around the sides and back of the table. A very versatile piece - perfect for a writing desk or dressing table but also as a hall or side table. It is in very good condition and is strong and sturdy. The top has been beautifully polished and it has a lovely rich colour and patina. There are some minor signs of age and use, some small knocks around the legs and light surface marks but nothing untoward or detrimental. It has been cleaned and lightly waxed and is ready for use.
