Description

George III Sheraton period mahogany cabinet with a bow-fronted centre section of three drawers with cupboards on either side; the top and drawers and cupboards cross-banded in satinwood and strung with ebony and box. Panelled ends standing on short square tapering legs with box feet; retaining its fine original pressed brass plate handles. Original patination, fine colour and condition throughout. Circa 1785 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in 2022!
