Description

Impressively wacky shaped and genuinely rare design is this superb 1930's English Art Deco Display cabinet. This beautiful cabinet is veneered in a lightly walnut veneer which has the most glorious patterning to the grain and retains a mid tone in colouring. The interior features a generously sized display area for your collection. There are three internal glass shelves. The beautiful astragal glass to the doors sets this cabinet off perfectly. The original bakelite handles are in tact. All in top condition, having recently been professionally restored. Offered with free mainland UK delivery
