Description

This sale includes, free delivery to US, half doll head and ceramic box by Goldscheider. Dating to the 1930's this very attractive and rare Art Deco hat pin holder is made by FASOLD & STAUCH more commonly known for making half dolls and is a German company. Rare and in excellent condition, I couldn't find any flaws to note, she's free from any damage. Depicts a flapper girl sat on a stylized rock holding flowers under one arm and waving with her hand in the other. She's dressed in the fashion of the day with a teal green coloured slip dress with black accent trim to the collar, hem and waist. Her cloche hat is of the same colour with black band trim. As with all FASOLD & STAUCH dolls the trade mark is the exquisite detailing in the make up and heavily charcoaled eyes. Delicate porcelain hands and fingers are amazingly all in tact. Registration number is underneath the base. This sale includes, free delivery to US, half doll head and ceramic box by Goldscheider.
