Description

George III period mahogany mirror; the rectangular plate contained within a moulded frame and a carved and gilt slip; the fretted frame with an openwork gilt cartouche. Circa 1765 [There has been a minor repair to the fretwork] John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in 2022!
