Description

A Quality oil on canvas under glass of a Game Keeper going off for a shoot in the woods of a country estate, with his dog in the foreground. Well executed with fine brush stroke detail and with strong bright lush greens intermixed to give a fabulous feel of depth in this painting. The artist is listed as American J.C.Hutchinson and is dated 1934. The condition is great as the glass has protected it very well. The frame has an internal beval gilt slip under the glass, adding to the perception of depth. The painting is of a professional quality in my opinion and is interesting to look at. Measurements are 17 Inches x 15 Inches overall. There is a picture framers label on the back which reads Walker & Co Ltd. OUR REF: 0078 ** A BARGAIN PRICE **
