Description

A stylish and very well made antique Swedish Biedermeier Style console table in satin birch. This was recently imported from Sweden, it dates from around the 1900-1920 period. This is a useful size with an elegant design, the quality is amazing. The satin birch has absolutely gorgeous grain patterns and a beautiful colour tone. The single drawer is solid wood lined with fine, hand cut dovetailed joints. We have recently had this re-polished, the condition is excellent for its age.
