Description

Large antique gilt metal lamp in the form of an embossed flagon with many fine details & sitting on an onyx base with gilt feet. The gilding has a soft gold colour & has been cleaned a bit but still could be cleaned more, if wished. I like it as it is, because it has a nice original look & is full of character. Please enlarge all the details to see all the fine embossed relief work. We have had this lamp re-wired, so it does work & I would date it to around the 1890-1910 period. Width – 11.5 inches, 29 cm Depth – 8.5 inches, 21 cm Height – 28.5 inches, 72 cm
