Date of manufacture: 19th Century

Description

Stunning Antique Single Fusee Boulle Mantel Clock On Stand By Payne London. This stunning antique mantel clock has a red tortoise shell veneered case with fantastic intricately inlaid brass boullework to the front and sides. The top of the case then has a large, scrolling ormolu final as well as there being ormolu mounts to the front and back edges. The clock then sits on top of four shaped ormolu feet. The feet are then attached to the boulle base which then has further ormolu mounts to the edges and corners. Finally the back of the case as well as the back and top of the base are then satinwood with a fantastic, rich, polished colour. The dial is then brass and set out with enamel panels. The hours are marked on individual enamel panels in black Roman numerals with the minutes being marked in the same way with Arabic numerals. The centre of the dial then has a round enamel panel signed by the maker "Payne 163 NEW BOND STREET LONDON". The dial is then finished by two lovely shaped fingers as well as a domed glass set into a brass bezel. The movement is then wound from the front and accessed from the back. It is a single chain fusee example of the upmost quality. I...
