Description

A rare French Recipe cocktail shaker made in silver plate in the form of a champagne bottle. What makes this one so special and collectable is the engraved mount to the front engraved with seven cocktail recipes with instructions how to serve each. The seven cocktails are: Manhattan, Bronx, Side Car, Alexandra, Dubonnet, Dry Martini and Rose. Just back from our silversmith's workshop, where it has been professionally cleaned and polished, restoring it to its former glory, dating to the Art Deco era, dating to c.1930/1940. The underside is fully marked by the maker, looking like four letters surrounding the Arch De Triomphe, I haven't been able to identify the silversmith. Superb condition measuring 2 3/4" in diameter and standing 10 7/8" tall. Item: 43943 FREE Worldwide Registered Airmail Directly From the UK
