Description

A delightfully small and high quality carriage clock with a fully engraved gilded brass case. Featuring an 8 day movement and striking and repeating the hours on a bell. Also retaining its original numbered carrying case and key. The circular enamel dial displaying Roman numerals and Breguet style steel blued hands. The main enamel dial is surrounded with a decorative gilt brass panel which offsets the white of the main dial. The movement is stamped H.L. who in the early days of carriage clock production were the main suppliers of 'blanc roulant' movements to the famous makers of the day such as Drocourt and Jacot. Delivery Free on mainland UK and guaranteed for 3 years.
