## Description

A rare Chinese solid sterling silver combination measure / bottle stopper. It is hallmarked STERLING SILVER, MADE IN HONG KONG with the makers mark being Wai Kee. I would date it to c1950s. It has been superbly designed with the measure being engraved with a bamboo pattern. It is in superb condition being free from splits repairs and dings. It measures approx. 3.75 inches (9.5cms) at its widest point by 1.75 inches (4.5cms) tall to the top of the measure and the whole piece weighs 42 grams. A superb interesting piece.
