Description

A large heightened Victorian print in the style of Emile Vernon depicting three little girls carrying treasures amongst trees and foliage with birds and butterflies. Vernon printed many similar images and this print is certainly in the style of 'The Three Graces'. The print is set in a beautiful frame with a gilt gesso surround with sea shells and other classical flourishes. The frame measures 80cm by 41cm, and the print inside is 67cm by 29cm.
