Description

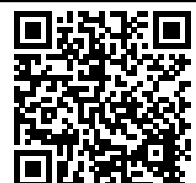

A beautiful original Art Deco period coffee table in walnut. This was made in England, it dates from the 1930's. It is very well made and has a very useful design. The circular top is segmented with the walnut grain patterns giving a lovely effect. There is a useful lower tier which also has wonderful grain patterns, the two tiers are connected by bent ply birch legs. We have had this stripped and re-polished to a very high standard, the condition is superb for its age. Width – 61 cm , 24 inches Depth – 61 cm , 24 inches Height – 52 cm , 21 inches
