Description

An excellent antique Edwardian Sheraton Revival settee in mahogany. This was made in England, it dates from around 1900-1910. It is of very fine quality, with a beautiful and elegant frame. There are stunning inlaid satin wood designs throughout the pierced back and scrolled arms. The base is stretchered for extra support, this sits on tapered legs which also have satin wood inlay along the fronts. We have recently had this re-polished and re-upholstered in our cream cotton fabric, the condition is excellent for its age.
