Description

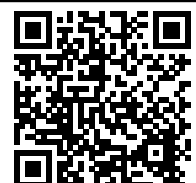

An absolutely stunning original Art Deco period side table in Walnut. This was made in England, it dates from the 1930's. This is of amazing quality and is beautifully designed. The top and lower tier are segmented and finished in figured walnut, giving a lovely geometric effect. The edges of the two tiers and the three tapered legs are finished in amazing burr walnut, beautifully contrasting with the lighter walnut table tops. The legs taper down and terminate with interesting stepped feet. We have just had this stripped and re-polished to a very high standard, the condition is excellent throughout. Width – 55 cm , 22 inches Depth – 55 cm , 22 inches Height – 75 cm , 30 inches
