Description

A large (very tall) double door antique Continental pine wardrobe (with 2 bottom drawers) dating from c.1910. Recently stripped, ready for waxing or painting. please contact us for a quote for painting. It totally dismantles for delivery, and so should go up any stairway. (Please note: this is a very tall wardrobe (86.5"), please double check the height of your ceiling, we'll need an extra couple of inches for assembly) In very solid, sturdy condition. The doors mounted on French style external hinges that allow the doors to open fully. There are two drawers at the bottom, with original brass pull handles. With an internal depth (hanging space) of 22", it is deep enough for hanging the largest of coats/suits etc. The internal height is 73.5", so plenty of space to fit a shelf near the top with the hanging rail below if you'd like us to. The fitting of the rail is included in the price. An additional £30 for the shelf. Height: 86.5", width: 65.5", depth": 25", internal depth: 22"

Internal Ref: s2405g
