Description

A super quality American solid sterling silver table or desk bell. It is hallmarked STERLING along with a makers mark, I would date it to c1940s. It has been superbly designed and is in super condition being free from dings holes and repairs. It measures approx. 5.5 inches (14cms) tall by 2.5 inches (6.2cms) across and weighs 76 grams. A very nice quality well made example.
