Description

This is a very stylish Victorian glazed library cabinet with ebonised finish. The cabinet was original a well worn mahogany veneered piece which we have opted to ebonise as it gives such a classic feel to the piece while also appealing to modern homes. The astral glazed top half is a great detail and has three adjustable shelves within. The doors lock and do have a key. The overall condition is very good and will work in a number of interiors perfectly. Height 200cm Width 104cm Depth 40cm Price includes UK mainland delivery
