Depth = 9.5 cm (3.7")

Description

A charming 19th century folk art treen string box in the form of a thatched cottage. The body has been naively but attractively carved and decorated with topiary trees, beams, windows and doors; the top into the form of a thatch roof with the string to be extracted from the chimney. There is a small nibble to the base rim (please see photographs), otherwise the box remains in a very good condition throughout. A lovely piece. Dimensions:- Diameter of top: 9.5cm Diameter of base: 9cm Height: 9.5cm Weight: 118 grams DELIVERY UK Mainland: Free International Delivery: Please contact us for a delivery quote.
